A New Year, Renew the Spirit of Service

Hoping that each of you and your families enjoyed a perfect 4th of July celebration along with your loved ones. May the memories of family always accompany each of us. This year marks an amazing 238th anniversary that we should always spend with family and celebrate our basic freedoms. Freedoms that many around the world might not even truly understand.

As July rolled in, we closed the last year and open a new year we should recall all the success of our Service. That very service that drives us via our common Catholic Faith to serve ALL of GOD'S people. We must continue to focus our common efforts towards these many causes, but also be reminded to continue to take the time to get to know the Brothers and their families, both in our Order as well as those joining our ever growing Council.

This growth is vital not only for the obvious reasons, but for the future of our Council on the basic level and the Order as a whole. This growth is vital as it enriches the very roots from which our Service springs. In continuing this upward drive that allows us to continue these many charitable efforts that have taken hold over the past decade.

Our efforts are never isolated to any one group, age, gender or other defined group. We Serve ALL in need. We Serve ALL who ask. We Serve as GOD has asked us by taking care of those in the greatest need. It brings us a new focus of how we value and see one another. We meet many people who also Serve members of our community for many of the same reasons. They feel fulfilled and complete by offering of themselves.

We fill a special segment of those who Serve; we do so from a faith centered base, but do not demand that those we Serve believe as we do. However, we remain faithful to our Creed and use it to ensure that our Service is always done for the betterment of those we wish to help and in Service to GOD and what He has commanded we do for others.

We have a reconstituted our Council's Officers Corp once again with Elections and this very group of dedicated Knights look forward to continuing in the footsteps of our prior Grand Knights & Officers who have lead this Council to its' prominent position in both the Federation and the State.

Next year our Council will celebrate 20 years of our Founding. In these past 19 years we created a number of unique and creative events that have made Service plain and simply FUN. This has allowed us to continue to be innovators in bringing forth events that allow for the participation of attendees as in the Tank Pull, to name just one event.

On behalf of the Officers, the entire Council and PDD Carlos Roco and our new WDD SK Ken Molnar, I thank each of you and your families for your continued support and Service to our Council, our Church and GOD. I thank you as together we continue to "Proclaim and Defend our Faith".

"We Bear His Name, We Carry His Cross"

In Service to One, In Service to ALL

I remain always your humble servant.

David Cordero, Grand Knight

Knights of the Month: Brother Antonio Latona & Brother Richard Pale-ski: Both Antonio & Rich came through in a major way to insure another successful ARMY Tank Pull. Tony also insured that a great plaque was created so it could be presented to the family of the Service Member being remembered. Rich is simply a superstar who was able to get CBS News to not only offer Live coverage but they actually came on site and interviewed our ROTC personnel, our Guest of Honor SGT Bryan Dilberian and various members of our Council.

Family of the Month: Brother Curt Russell & Family: Curt and his Son & family came out and really helped out in many ways during this years' ARMY Tank Pull event. From managing the pull rope and providing physical labor to move items and setup but also in breaking down and helping to insure we were able to legally open the road on time. To this family our Council salutes them for their contributions and service on this day where we Honor the Sacrifices of our Service Members.

E-MAIL INITIATIVE:

If you have not already done so, please provide us with your current **e-mail address**. Updated e-mail addresses will aid us in communicating more quickly and aid in recruitment and retention efforts.
