

Grand Knight's Report

Grand Knight's Report

A Fresh New Year to excel once again!!!

The summer is almost over and September and the start of school is once again upon us. But we Knights are just getting warmed up for another fantastic year. A New Year brings us a renewed mission of Service. As many of you know by your own actions, the need is clear to us and our families. We know many of those who we serve and the reasons why this Service is Sacred to us and many around us.

In the coming weeks we wish to remind all our Brothers and their families of our Council's 7th Annual Golf Outing which provides the lion's share of our funding. That is followed by our 3rd Annual Sports Knight / Colin Fund Raiser. These two events are very personal to many who both work with us and support many of our charitable efforts.

Our Council is extremely happy with the many contributions of our members and supporters. Together we are serving the children of our parish and community via our many sports, educational and scholarship offerings. Our Brother Knights are Big Brothers, leaders, teachers, mentors to many. They lead by example and with a passion of Service. Far too many children are lacking this very important interaction. This is the very reason that we need to insure that this outreach never weakens or simply disappears.

I am confident that many of you see this as a vital offering that not only helps our children but also Serves to give many of our Brother Knights an opportunity to guide our youth in wholesome and fun activities that allow them to enjoy their youth and just be kids.

As a child I always enjoyed how my parents let us play and just have fun. I still think of how they let us be kids and have fun with our friends. To this day we are still close to many of these very friends. That is a testament to the values our parents engrained in us. The greatest part of this being Trust. They trusted that we would not cause them too much worry. But that is one of the best things that parents do... worry.

I, for one, am grateful for this. It allowed us to grow and become confident adults who care for our Church, our Priest, Nuns and religious. Our Religious have protected us, guided us and cared for our Holy Mother Church here and around the Globe. After all, we need to be reminded that our Church is truly a World Wide Church, in every corner and on every continent, from the old world, to the new world and back.

Remember that in 2016 our Council celebrates 20 years of Service. In this 19th year we will setup a committee that will plan a celebration to mark this Council's many achievements and celebrate its' founding in style.

So All can Hear and Know that the Knights will "Proclaim and Defend our Faith".

"We Bear His Name, We Carry His Cross"

In Service to One, In Service to ALL

I remain always your humble servant.

David Cordero, Grand Knight

Knight of the Month

SK Todd Daigneault & SK Bill Kelleher: These two Sir Knights distinguished themselves by how they compassionately served the needs of our Brother SK Jack Hughes family during a most difficult time and provided them with an excellent place in which they could share memories of Jack amongst all of us. The manner in which the family was comforted by their works is highly commendable.

Family of the Month

SK John Sadvary & Family: SK John is always there for our Council. He offers wise council and kind guidance. Our future is bright due to men like John and his quiet leadership. He is a true friend to all the Brothers of our Order.

Calling all 4th Degree Members to come and build a stronger assembly!

Msgr. Stein Assembly 0645 – 4th Degree – 623 McBride Ave, W. Paterson

Recapture the Dream... To Serve, Not To Be Served

A Message from Your Field Agent

One of the freedoms that we enjoy, as an American, is the right to choose. Some choices come from the heart and some are made from the gut but actually how many are made based on knowledge. You may regret some choices that you made but you can learn from them and move on but there are other choices that may be harmful to us or loved ones.

Two months ago my wife, Louise, and I watched as our daughter Kristina was wheeled into the delivery room about to give birth to our grand-daughter. Two hours later Chris, the father, came out to tell us that a decision had to be made regarding the delivery. He said that Kristina could not push the baby out and that we had to choose between the vacuum method or a C-Section. We made the choice that Kristina would have wanted us to make which was whatever was best for the baby. Having had no knowledge of this vacuum method and its ramifications, we had to know more before we could choose it, and with time being of the essence we chose what we knew, C-Section.

Louise wanted to visit the Chapel to pray for a safe delivery for both Kristi and her child. We spent about 15 minutes or so before returning to the waiting room to find out that Kristina passed the baby naturally while we were in the Chapel. It was our choice but it was the hand of God that made the decision and a lot of prayers that brought her into this world. Bria Faith was born on July 17, 2014, and this 6 pound 10 ounce bundle of joy would now change many lives forever.

I told this story to show that we have choices that we make voluntarily and yet other choices that we have to make. We can choose how we live our lives but it is Our Lord Jesus Christ that decides how many years we will have to choose. We can make choices based on our gut and pray we are right or we can choose to make an educated choice that will be beneficial to our families.

The Knights of Columbus provides you with a free Financial Analysis, based on information that you provide, that will give you an idea of what you need. Also, I will help educate you on the types of coverage that best fit the needs of your family so you don't make any uninformed decisions.

In the next few bulletins I will provide you with some misconceptions and knowledge that may help you realize the importance of protecting your family. May God continue to protect you and your family and help you make the correct decisions.
